ORDER:

Heard both sides. With the consent of the parties, the writ petition is disposed of at the admission stage itself.

2. The writ petition is filed seeking a writ of *Mandamus* directing the respondents to implement the directions of this Court in W.P.No.13127 of 1994, dated 21.4.2004, by fixing time scale of the petitioner with effect from 01-6-1999, the date on which the 5th respondent, who is junior to the petitioner, was allowed to get all the benefits, including arrears by revising the pay-scales issued from time to time with all consequential monetary and seniority benefits.

3. According to the petitioner, he is working as Technical Work Inspector in the respondents' corporation. According to him, the respondents are not implementing the directions of this Court in W.P.No.13127 of 1994, dated 21.4.2004, by fixing the time scale of the petitioner with effect from 01.6.1999 on which date his junior, the 5th respondent herein, was allowed to get all the benefits, including

arrears by revising the pay-scales. In this regard, the petitioner seems to have made several representations i.e., on 16.9.2004, 19.4.2005 and 19.01.2006 ventilating his grievance, but they all went in vain. Therefore, this writ petition.

4. In view of the above, without expressing any opinion on merits, the respondents are directed to dispose of the representations purported to have been made by the petitioner on 16.9.2004, 19.4.2005 and 19.01.2006 and consider extending the time scale and other benefits as are extended to his juniors as per law and pass appropriate orders, within a period of six weeks from the date of receipt of this order and communicate the same to the petitioner.

5. The writ petition is accordingly disposed of. No costs.
